**WARRANTY**

All OVO-TECH machines are covered by a 12 month warranty. During this time we support our clients with free of charge repairs and a knowledge base.

**POST WARRANTY SUPPORT**

Even after the warranty is over, our clients have access to a service materials knowledge base. Machine repairs are done after an individual price assessment.

**BENEFITS**

We design our machines to be easy and cheap in use. Unified, generally accessible spare parts as well as service materials knowledge base allow for self removal of many problems.
